Our student council body is a strong and enthused team with 42 members holding different portfolios. These students not only excel in their areas they hold responsibilities, they also represent the entire school with their dedication, passion, and teamwork. These are a team of strong, promising and proud ambassadors of DMIS headed by **Mohammad Ehtasham** as the Head boy and **Hsita Badiga** as the Head Girl.

DMIS is a comprehensive school. Our students strive extremely hard to succeed in a variety of fields each year, and that is the core value of DMIS. Our beloved school had received the honor of “clear flag” from the MOEHE recently and DMIS is the first and the only Indian (CBSE) School to receive WASC accreditation in the world.

Our students are excellent in all areas, including extracurricular, athletics, and academics! These three fields create a synergy that make our students unique.

DMIS's involvement with junior grades is one of our key programs. On an annual basis, we plan a wide range of stimulating activities for them. These activities include their regular morning assemblies, the introduction of the DEAR period, which is an exclusive period of time during which students are required to read a book of their choice in order to encourage reading among K-12 students, value-based programs, mock fire drills, exhibitions and so on.

The student council of DMIS also organized an extravagant teacher's day programme on its own. The teachers engaged in a variety of entertaining games including identifying their childhood pics, achievements etc. The council members also put in great effort to make cards and pens for all the

teachers of our school. Our teachers have also been active by participating in orientations, Synergy 2.0, cbse capacity building programs etc.

During the academic year, we focused on student safety training to raise awareness about campus accidents. Throughout the year, we held several mock fire drills to prepare students for emergency situations. In Kindergarten, a talk on safety rules was given in order to instill awareness in young minds and instill the values of self-discipline in them.

That's not the end of it! As the DMIS community, we support students' self-health. The school counsellors have done a wonderful job by organizing internship programs, career development sessions like say no to drugs session and also virtual parent orientation.

DMIS is proud to be an Indian school. We try to participate in as many Indian festivals as possible. Onam had been celebrated in magnificent fashion this year. We celebrated Onam as a family by decorating a magnificent hallway with rangolis, also known as pookalam in Kerala. Several students demonstrated exceptional creative abilities.

Skill-O-Panorama is a DMIS tradition that we have followed for many years. This year, like many others, was exceptional. We had a variety of dance and music competitions, elocutions, extempores, fashion shows, and skits. The stem competitions which were also organized aimed to encourage hands-on learning and problem-solving skills through the exploration of various STEM-related projects for grades 3-8.

Competitiveness and sportsmanship are qualities that DMIS has in spades. Every year, we host a variety of inter-house activities to instill a sense of competition among our students. We have had several inter-house quizzes this year in mathematics and science. We held inter-house football tournaments and art competition based on Biodiversity.

In the academic year, we saw an astounding participation in Olympiads. The International Social Studies Olympiad (iSSO) is a prestigious educational event held annually at both the national and international levels with 91,000 participating schools. We have about 12 gold medals of excellence (zonal), 11 gold medals of excellence.
